

We would love to partner with you!

FitAbilityTX is looking to establish or renew sponsorships for our upcoming year.

FitAbilityTX was established in 2017 to provide health and fitness training to people with limited mobility. We treat each person as a whole; providing one on one and small group fitness training from in house certified trainers and nutrition counseling through an outside partner. Many of our clients do not have the financial capability to continue paying for a consistent workout routine with a certified personal trainer. Many clients only participate in exercise when scheduled with a trainer. Your tax deductible donation will allow our clients to receive free or discounted training sessions, allowing them to benefit from a consistent workout schedule.

Please complete our donation contract and mail it along with your donation to the address below. In return for your generosity, we will recognize your organization as well as provide the additional benefits listed for the sponsorship level you select.

If you have advertising materials or a company logo, please include them with your donation. If you prefer not to mail your materials, please contact us and we will arrange to pick them up in person. Thank you for your support. We look forward to partnering with you and promoting your business!

Thank you,

A handwritten signature in black ink that reads "Jessica Reams".
